The Performance Security shall remain valid and effective for the duration of the contract including the contract extension period, plus sixty (60) days, from NPC's acceptance or from the last delivery period unless otherwise the delivery schedule is amended. The Performance Security shall also answer for any damages and expenses that NPC may suffer as a result of the failure of the SUPPLIER to perform its contractual obligations herein without prejudice to the other legal remedies which may be resorted to by NPC. The bond shall be released sixty (60) days after the last delivery period following the date of completion of the Supplier's performance obligations under the Contract and the issuance of certification to that effect by NPC, including any warranty obligations, unless otherwise specified in the bid documents, provided there are no claims against the SUPPLIER and/or its bondsmen.

Any extension of the delivery period, which may be granted to the SUPPLIER, shall be considered as given and any modification of the Contract shall be considered as authorized with the express consent of the surety.

ARTICLE VII
LIQUIDATED DAMAGES

Should SUPPLIER fails to satisfactorily complete the delivery of engine lubricating oil within the stipulated contract time, plus any time extension duly granted, and is thereby in default under this Contract, SUPPLIER shall pay NPC for liquidated damages, not by way of penalty, an amount equal to one tenth (1/10) of one percent (1%) of the cost of the undelivered engine lubricating oil for every day of delay until actual delivery or performance. Once the amount of liquidated damages reaches ten percent (10%), NPC may rescind or terminate the contract without prejudice to other course of action and remedies open to it.

To be entitled to such liquidated damages, NPC does not have to prove that it has incurred actual damages. Such amount shall be deducted from any money due or which may become due to the SUPPLIER, or collected from any securities or warranties posted by the SUPPLIER, whichever is convenient to NPC. The forfeiture of the performance bond shall not preclude NPC from collecting liquidated damages as provided under this clause.

The provision for liquidated damages shall not prevent NPC from exercising its right to take over from the SUPPLIER the procurement of the contracted oil.
