

OCCIDENTAL MINDORO ELECTRIC COOPERATIVE, INC.

M.H. Del Pilar St., San Jose, Occidental Mindoro 5100

BID BULLETIN NO. 33

Series of 2021

TO ALL PARTICIPATING BIDDERS:

As requested by the Participating Bidders during the Fourth (4th) Financial Evaluation Modeling Workshop, the Third-Party Bids and Awards Committee (TPBAC) had a consultation meeting with the Department of Energy (DOE) together with National Electrification Administration (NEA) and National Power Corporation (NPC) on May 14, 2021. The TPBAC explained thoroughly to the Agencies the proposed Price Structure for the PSA and RPS compliance in the OMECO's CSP.

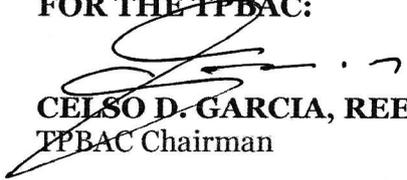

Based on the DOE's evaluation, they recommend to hold in abeyance the provision for RPS Off-grid compliance until the lifting of the suspension of its implementation as per DOE's Advisory dated 18 August 2020. Nonetheless, the generated energy from the RE resources of the Winning Bidder can still be eventually converted to RE Certificate. With this, RPS compliance is no longer required for this particular CSP.

With regards to the proposed price structure, DOE defer to the ERC on evaluating the final rate including its components thus the TPBAC will proceed with the price structure as outlined in the ITB.

Hence, TPBAC will be issuing the following documents: FITB, Draft PSA, Electronic copy of Bid Forms and Evaluation Worksheet in excel file.

This Bid Bulletin No. 33, Series of 2021 dated 16 June 2021 shall form part of the Bidding Documents. Any provisions in the Bidding Documents inconsistent herewith is hereby amended, modified and superseded accordingly.

FOR THE TPBAC:

CELSO D. GARCIA, REE
TPBAC Chairman

Organized by the National Electrification Administration under Presidential Decree no. 269
