PETITION FOR THE
RECOVERY OF CY 2017
REVENUE SHORTFALL
FROM THE UNIVERSAL
CHARGE FOR MISSIONARY
ELECTRIFICATION (UC-ME)
AND THE CORRESPONDING
ADJUSTMENT OF THE UC-
ME WITH PRAYER FOR THE
ISSUANCE OF PROVISIONAL
AUTHORITY**

ERC CASE NO. 2019-084 RC

**NATIONAL POWER
CORPORATION,**
Petitioner.

X-----X

Promulgated:
NOV 18 2019

NOTICE OF PUBLIC HEARING

TO ALL INTERESTED PARTIES:

Notice is hereby given that on 28 October 2019, the National Power Corporation (NPC) filed a *Petition* dated 21 October 2019, seeking the Commission's approval for the recovery of Calendar Year (CY) 2017 revenue shortfall from the Universal Charge for Missionary Electrification (UC-ME) and the corresponding adjustment of the UC-ME, with prayer for the issuance of provisional authority.

In its *Petition*, NPC alleged the following:

1. Petitioner NPC is a government owned and controlled corporation created and existing under Republic Act No. 6395 as amended ("NPC Charter"), with principal address at NPC Office Building Complex, corner Quezon Avenue and BIR Road, Diliman, Quezon City where it may be served summons and other processes of the Honorable Commission.
2. Pursuant to Section 70 of Republic Act No. 9136 (Electric Power Industry Reform Act or "EPIRA"), NPC shall remain as a National-Government Owned and Controlled Corporation to

perform the Missionary Electrification function through its Small Power Utilities Group (hereafter, "NPC-SPUG") and shall be responsible for providing power generation and its associated power delivery systems in areas that are not connected to the transmission system.

3. Pursuant to Section 4 of Republic Act No. 6395, as amended, and Executive Order No. 86, issued by virtue of the authority granted to the President of the Republic of the Philippines under R. A. 7648, Petitioner NPC is duly authorized to include twelve percent (12%) return on its rate base composed of the sum of its net assets in operation plus two (2) months operating capital in the Revenue Requirement.

4. NPC is filing this Petition in its capacity as the implementing agency for Missionary Electrification. Said function shall be funded from the revenue from sales in the missionary areas and from the Universal Charge to be collected from all electricity end-users as determined by the Energy Regulatory Commission (ERC).

5. On 22 August 2011, the Honorable Commission approved and issued Resolution No. 21 Series of 2011 entitled "*Amended Guidelines for the Setting and Approval of Electricity Generation Rates and Subsidies for Missionary Electrification Areas*" providing for the guidelines for the setting and approval of electricity generation rates and subsidies for Missionary Electrification areas, for the fixing of and availment of subsidies for Missionary Electrification areas and Cash Incentives for the Renewable Energy ("RE") Developers for Missionary Electrification from the Universal Charge for Missionary Electrification ("UC-ME").

The said resolution allows for the recovery of the NPC and NPP TCGR as approved by the ERC. In cases where the NPC and the NPP TCGR is higher than the SAGR, then NPC and the NPPs shall be allowed to recover the difference from the Missionary Electrification Subsidy. Further, in the same resolution, it is provided that if after reconciliation of all amounts received against all disbursements made and the result is NPC having surplus funds, as confirmed by the ERC, the amount corresponding to the surplus shall be deducted from the UCME under the current petition. Otherwise, NPC-SPUG shall be entitled to an increase in the UCME to cover the shortfall which may be brought about by several factors as specified therein (i.e. adjustments due to GRAM and ICERA, adjustment in the NPP TCGR and other analogous cases).

6. On 03 May 2006, the Honorable Commission likewise approved and issued Resolution No. 22 Series of 2006 entitled "*Rules for the Regulation of the Qualified Third Parties Performing Missionary Electrification in Areas Declared Unviable by the Department of Energy*". The resolution mandated NPC to file a quarterly application, if necessary with the ERC to recover any shortfall in the Missionary Electrification subsidy brought about by factors such as: collection shortfall, adjustments in the FCRR and other analogous cases. Also, it is provided therein that "NPC-SPUG

ERC CASE NO. 2019-084 RC
NOTICE OF PUBLIC HEARING/11 November 2019
PAGE 3 OF 9

shall reconcile all amounts received against all disbursement made for the previous year. If the reconciliation results in NPC having surplus funds, the amount of the ME subsidy for the year shall be adjusted accordingly. Conversely, if the reconciliation results in NPC-SPUG experiencing a deficiency, NPC-SPUG shall be entitled to file an application for an increase in the ME Subsidy to cover the shortfall."

7. NPC is filing this petition pursuant to Rule 20 (A) of the ERC Rules of Practice and Procedure as approved by the Honorable Commission on 22 June 2006 in Resolution No. 38, Series of 2006.

**ABSTRACT OF THE PROPOSED RECOVERY OF THE
SHORTFALL IN THE UC-ME**

8. **Reconciliation of Actual UC-ME.** This covers reconciliation of all amounts received against all disbursement made in CY 2017. NPC utilizes in its calculation the following documents:

- a. Certified CY 2017 Financial Statements;
- b. Actual Results of Operation;
- c. The actual disbursements of UC-ME Subsidy to NPPs and QTPs

9. **Total UC-ME Shortfall.** Based on the foregoing documents and as a result of the calculations made, the total shortfall that NPC proposes to recover from the UC-ME is equivalent to **Php 849,455,932.62 or an equivalent of P0.0381/kWh for three (3) months recovery period** as summarized in Table 1 below.

Table 1. Summary of Shortfall

PARTICULARS	TOTAL [A+B+C]	NPC [A]	NPP [B]	QTP [C]
REVENUE REQUIREMENT	16,094,193,898.73	7,082,728,948.17	8,846,390,328.59	165,074,621.97
LESS: REVENUE FROM SALES	6,856,726,941.59	2,049,131,308.66	4,729,329,382.66	78,266,250.27
TOTAL REVENUE REQUIREMENT	9,237,466,957.14	5,033,597,639.51	4,117,060,945.93	86,808,371.70
LESS: ACTUAL 2017 UCME REVENUE (BASIC)	8,388,011,024.52	4,184,141,706.89	4,117,060,945.93	86,808,371.70
UCME SHORTFALL , Php	849,455,932.62	849,455,932.62	0.00	0.00
RATE IMPACT, P/kWh	0.0381	0.0381		
<i>Projected Energy Sales, GWH (3 months)</i>	<i>22,295.00</i>			

10. In the reconciliation, the resulting shortfall in the revenue from UC-ME was calculated based on the following formula:

$$\text{UC-ME True-Up Shortfall} = \text{Total UC-ME Subsidy Requirement} - \text{Approved UC-ME}$$

$$\text{Where: Total UC-ME Subsidy Requirement} = (\text{NPC Revenue Requirement} - \text{Revenue from Sales}) + \text{Subsidy Payment to NPPs and QTPs}$$

11. The Revenue is inclusive of the revenue from sales and the UC-ME subsidy for CY 2017. Whereas the disbursement includes all expenses related to NPC-SPUG's operation and subsidy fees paid to

ERC CASE NO. 2019-084 RC
NOTICE OF PUBLIC HEARING/11 November 2019
PAGE 4 OF 9

the New Power Providers (NPPs) and Qualified Third Parties (QTPs).

12. In the calculation of the NPC Revenue Requirement, the following accounts and actual costs were considered:

- a. Actual Fuel Costs;
- b. Other Operating Expenses which includes Personal Services and Maintenance and Other Operating Expenses;
- c. Depreciation;
- d. Disbursement on FOREX Fluctuation;
- e. Rate Base as of December 2017;
- f. Revenue from Sales

13. The amount of UC-ME Subsidy for NPPs and QTPs were based on the actual disbursements and payment made consistent with the UC-Settlement Agreement (UCSA) between NPC and respective power providers considering their respective ERC-approved Power Supply Agreement (PSA).

14. Three (3) months projected Philippine energy sales forecast in GWh under DOE's Power Development Plan (PDP) for CY 2020 was used to determine the proposed UC-ME True-up rate in P/kWh.

15. As can be gleaned from Table 1, the CY 2017 actual revenue received from the UC-ME was not sufficient to cover the total UC-ME requirement for NPC. As such, Petitioner NPC seeks to recover the deficiency pursuant to the rules and guidelines for the UC-ME.

16. The following documents are submitted in support of the proposed recovery of shortfall in the UC-ME:

Annex "A"	Corporate Secretary's Certificate
Annex "B"	Summary of Shortfall and UC-ME True-up Adjustment Calculation
Annex "C"	CY 2017 Actual Results of Operations
Annex "D"	CY 2017 Certified Income Statement
Annex "D-1"	CY 2017 Certified Balance Sheet
Annex "E"	Discussion on Revenue Requirement and Rate Base Components
Annex "F"	Schedule of CY 2017 Depreciation Expense
Annex "G"	Schedule of CY 2017 Fuel Consumption
Annex "H"	Schedule of CY 2017 Other Operating Expenses
Annex "I"	Schedule of CY 2017 Rate Base

Annex "J"	Schedule of CY 2017 Construction Work in Progress
Annex "K"	Summary of CY 2017 UC-ME paid to NPPs and QTPs
Annex "L"	Summary of Actual UC-ME Received from PSALM for CY 2017
Annex "M"	Projected Philippine Energy Sales
Annex "N"	Proof of Receipt by the Local Government Offices

RATE IMPLICATIONS OF THE PROPOSED RECOVERY OF UCME SHORTFALL

17. Under the foregoing premises, NPC proposes the recovery of shortfall in the revenues from UC-ME in the amount of **Php849,455,932.62 equivalent to a proposed rate adjustment of Po.0381/kWh for three (3) months recovery** from the nationwide electricity end-consumers.

18. The proposed three (3) months recovery period is consistent with the provisionally approved rate under ERC Case No. 2014-135 RC where CY 2010 True-up recovery of Po.0381/kWh was extended until revoked or made permanent by the Honorable Commission as per ERC Order dated 17 August 2015.

19. The implementation of the proposed recovery period is presumed to be from August 2020 until October 2020 with the assumption that the pending True-up with Provisional Authority will be fully recovered by August 2020.

ALLEGATIONS IN SUPPORT OF THE PRAYER FOR PROVISIONAL AUTHORITY

Petitioner NPC replays the foregoing allegations and further states:

20. The recovery by NPC of only portion of its costs of generation through the Subsidized Approved Generation Rate (SAGR), is not reflective of the TCGR or the Revenue Requirement in the island grid. It is only 67% of the total fuel cost for CY 2017. Details of the difference between Petitioner NPC's actual revenue from sales against the actual fuel costs for CY 2017 is shown below in Table 2.

(This space was intentionally left blank.)

Table 2. Actual Fuel Costs vis-à-vis Revenue from Sales

PARTICULARS	AMOUNT	PERCENTAGE
Actual Fuel Cost	3,057,822,488	100%
Average, P/kWh	7.6702	
Actual Revenue from Sales	2,049,131,309	67%
Average, P/kWh	5.1400	
Difference	1,008,691,179	33%
P/kWh	2.5302	
Actual Energy Sales, kWh	398,662,749	

21. The amount proposed for recovery is already an incurred cost of NPC and within the reasonable cost of servicing the consumers in the missionary areas considering the nature of operation and level of demand in the off-grid areas.

22. Petitioner NPC on 11 January 2019 has filed before the Honorable Commission the CY 2016 UCME True-up in the amount of (Php1,483,845,466.67) with a proposed rate of (Php0.0162/kwh) where NPC prayed for the granting of Provisional Authority, thereby allowing NPC to offset the excess of the Basic UCME for CY 2016 under existing Provisional Approval against the unrecovered amount of the CY 2019 UCME Petition under ERC Case No. 2018-076 or against the unrecovered amount under the previous CY 2012, 2013, 2014 and 2015 UCME True-up petitions.

23. ERC already approved the UC-ME True-up Petitions for CY 2003 to 2009, CY 2010 and CY 2011 under ERC Case Nos. 2011-074RC, 2012-046RC and 2012-085RC respectively. The shortfall for CY 2012 True-up Petition was recovered under the provisional authority granted by the Commission on ERC Case No. 2014-135RC, and is also being applied to CY 2013, CY 2014 and CY 2015 pending ERC resolution/decision of the said case.

24. Petitioner NPC will recover from the UC-ME the amount of Php849,455,932.62 assuming that the proposed UC-ME adjustment rate and spreads will be immediately approved provisionally by ERC as filed.

25. An additional funding through the approval of this Petition will ensure an uninterrupted electricity supply as this would fully augment the funding requirements given the increasing demand for energy in line with the government's thrust of economic development in the off-grid areas.

23. The issuance of a provisional authority is authorized under Section 3 Rule 14 of the Rules of Practice and Procedure. Likewise, the authority of the Honorable Commission to issue a provisional authority is confirmed by the Supreme Court in the case of ***Freedom from Debt Coalition, et. al. vs. ERC, et. al.***,¹ when it held that "the power to approve provisional rate increases is included among the powers transferred to the ERC by virtue of

¹ G.R. No. 161113, 15 June 2004.

ERC CASE NO. 2019-084 RC
NOTICE OF PUBLIC HEARING/11 November 2019
PAGE 7 OF 9

Section 44 since the grant of that authority is not inconsistent with the EPIRA; rather, it is in full harmony with the thrust of the law which is to strengthen the ERC as the new regulatory body.”

24. Petitioner NPC is thus imploring the kind consideration of this Honorable Commission and respectfully prays for the issuance of a provisional authority under the foregoing premises.

COMPLIANCE

25. In support of this petition and in compliance with Rule 6 of the ERC Rules of Practice and Procedures under ERC Resolution No. 38, Series of 2006 as well as Section 4(e) Rule 3 of the EPIRA Implementing Rules and Regulations, Petitioner NPC attaches and submits the following:

- a. Proof of service of this Petition to the Legislative Bodies of the Local Government Units where NPC principally operate, hereto attached as **ANNEX “O”**
- b. Proof of Publication of the Petition once in a newspaper of general circulation hereto attached as **ANNEX “P”**.
- c. Affidavit of Publication hereto attached as **ANNEX “Q”**.

PRAYER

WHEREFORE, premises considered, Petitioner **National Power Corporation** respectfully prays that:

- a. Pending the hearing on the merits, an Order be issued granting **PROVISIONAL APPROVAL** to the proposed UC-ME True-up for CY 2017 amounting to **PhP849,455,932.62** or equivalent rate of **PhPo.0381/kWh**.
- b. After the hearing on the merits, the instant petition be **GRANTED** by the Honorable Commission.

Other reliefs, just and equitable, are likewise prayed for.

The Commission has set the *Petition* for determination of compliance with the jurisdictional requirements, expository presentation, Pre-trial Conference, and presentation of evidence on the following dates and venues:

Date and Time	Venue	Particulars
11 March 2020 (Wednesday) at ten o'clock in the morning (10:00 A.M.)	ERC Hearing Room, 15th Floor, Pacific Center Building, San Miguel Avenue, Pasig City	Jurisdictional and Expository Presentation

ERC CASE NO. 2019-084 RC
NOTICE OF PUBLIC HEARING/11 November 2019
PAGE 8 OF 9

Date and Time	Venue	Particulars
19 March 2020 (Thursday) at ten o'clock in the morning (10:00 A.M.)	Energy Regulatory Commission- Visayas Area Operations Division (VAOD), St. Mary's Drive, Banilad, Cebu City	Expository Presentation
26 March 2020 (Thursday) at ten o'clock in the morning (10:00 A.M.)	Energy Regulatory Commission- Mindanao Area Operations Division (MAOD), Mezzanine Floor, Mintrade Building, Monteverde Avenue cor. Sales Street, Davao City	Expository Presentation
01 April 2020 (Wednesday) at ten o'clock in the morning (10:00 A.M.)	ERC Hearing Room, 15th Floor, Pacific Center Building, San Miguel Avenue, Pasig City	Pre-Trial Conference and Presentation of Evidence

All persons who have an interest in the subject matter of the instant case may become a party by filing with the Commission a verified Petition to Intervene at least five (5) days prior to the initial hearing and subject to the requirements under Rule 9 of the 2006 ERC Rules of Practice and Procedure, indicating therein the docket number and title of the case and stating the following:

- 1) The petitioner's name and address;
- 2) The nature of the petitioner's interest in the subject matter of the proceeding and the way and manner in which such interest is affected by the issues involved in the proceeding; and
- 3) A statement of the relief desired.

All other persons who may want their views known to the Commission with respect to the subject matter of the case may file their Opposition or Comment thereon at any stage of the proceeding before Petitioner rests its case, subject to the requirements under Rule 9 of the 2006 ERC Rules of Practice and Procedure. No particular form of Opposition or Comment is required, but the document, letter, or writing should contain the following:

- 1) The name and address of such person;
- 2) A concise statement of the Opposition or Comment; and

3) The grounds relied upon.

All such persons who wish to have a copy of the *Petition* may request from Petitioner that they be furnished with the same, prior to the date of the initial hearing. Petitioner is hereby directed to furnish all those making such request with copies of the *Petition* and its attachments, subject to the reimbursement of reasonable photocopying costs. Any such person may likewise examine the *Petition* and other pertinent records filed with the Commission during the standard office hours.

WITNESS, the Honorable Commissioners **CATHERINE P. MACEDA**, **ALEXIS M. LUMBATAN** and **PAUL CHRISTIAN M. CERVANTES**, Energy Regulatory Commission, this 11th day of November 2019 in Pasig City.

ERC CASE NO. 2019-084 RC

**NATIONAL POWER
CORPORATION,**

Petitioner.

X-----X

Promulgated:

NOV 18 2019

ORDER

On 28 October 2019, the National Power Corporation (NPC) filed a *Petition* dated 21 October 2019, seeking the Commission's approval for the recovery of Calendar Year (CY) 2017 revenue shortfall from the Universal Charge for Missionary Electrification (UC-ME) and the corresponding adjustment of the UC-ME, with prayer for the issuance of provisional authority.

In its *Petition*, NPC alleged the following:

1. Petitioner NPC is a government owned and controlled corporation created and existing under Republic Act No. 6395 as amended ("NPC Charter"), with principal address at NPC Office Building Complex, corner Quezon Avenue and BIR Road, Diliman, Quezon City where it may be served summons and other processes of the Honorable Commission.
2. Pursuant to Section 70 of Republic Act No. 9136 (Electric Power Industry Reform Act or "EPIRA"), NPC shall remain as a National-Government Owned and Controlled Corporation to perform the Missionary Electrification function through its Small Power Utilities Group (hereafter, "NPC-SPUG") and shall be responsible for providing power generation and its associated

NPC - CLC

11 NOV 19 PM 12:09

power delivery systems in areas that are not connected to the transmission system.

3. Pursuant to Section 4 of Republic Act No. 6395, as amended, and Executive Order No. 86, issued by virtue of the authority granted to the President of the Republic of the Philippines under R. A. 7648, Petitioner NPC is duly authorized to include twelve percent (12%) return on its rate base composed of the sum of its net assets in operation plus two (2) months operating capital in the Revenue Requirement.

4. NPC is filing this Petition in its capacity as the implementing agency for Missionary Electrification. Said function shall be funded from the revenue from sales in the missionary areas and from the Universal Charge to be collected from all electricity end-users as determined by the Energy Regulatory Commission (ERC).

5. On 22 August 2011, the Honorable Commission approved and issued Resolution No. 21 Series of 2011 entitled "*Amended Guidelines for the Setting and Approval of Electricity Generation Rates and Subsidies for Missionary Electrification Areas*" providing for the guidelines for the setting and approval of electricity generation rates and subsidies for Missionary Electrification areas, for the fixing of and availment of subsidies for Missionary Electrification areas and Cash Incentives for the Renewable Energy ("RE") Developers for Missionary Electrification from the Universal Charge for Missionary Electrification ("UC-ME").

The said resolution allows for the recovery of the NPC and NPP TCGR as approved by the ERC. In cases where the NPC and the NPP TCGR is higher than the SAGR, then NPC and the NPPs shall be allowed to recover the difference from the Missionary Electrification Subsidy. Further, in the same resolution, it is provided that if after reconciliation of all amounts received against all disbursements made and the result is NPC having surplus funds, as confirmed by the ERC, the amount corresponding to the surplus shall be deducted from the UCME under the current petition. Otherwise, NPC-SPUG shall be entitled to an increase in the UCME to cover the shortfall which may be brought about by several factors as specified therein (i.e. adjustments due to GRAM and ICERA, adjustment in the NPP TCGR and other analogous cases).

6. On 03 May 2006, the Honorable Commission likewise approved and issued Resolution No. 22 Series of 2006 entitled "*Rules for the Regulation of the Qualified Third Parties Performing Missionary Electrification in Areas Declared Unviable by the Department of Energy*". The resolution mandated NPC to file a quarterly application, if necessary with the ERC to recover any shortfall in the Missionary Electrification subsidy brought about by factors such as: collection shortfall, adjustments in the FCRR and other analogous cases. Also, it is provided therein that "NPC-SPUG shall reconcile all amounts received against all disbursement made for the previous year. If the reconciliation results in NPC having surplus funds, the amount of the ME subsidy for the year shall be

adjusted accordingly. Conversely, if the reconciliation results in NPC-SPUG experiencing a deficiency, NPC-SPUG shall be entitled to file an application for an increase in the ME Subsidy to cover the shortfall."

7. NPC is filing this petition pursuant to Rule 20 (A) of the ERC Rules of Practice and Procedure as approved by the Honorable Commission on 22 June 2006 in Resolution No. 38, Series of 2006.

**ABSTRACT OF THE PROPOSED RECOVERY OF THE
SHORTFALL IN THE UC-ME**

8. **Reconciliation of Actual UC-ME.** This covers reconciliation of all amounts received against all disbursement made in CY 2017. NPC utilizes in its calculation the following documents:

- a. Certified CY 2017 Financial Statements;
- b. Actual Results of Operation;
- c. The actual disbursements of UC-ME Subsidy to NPPs and QTPs

9. **Total UC-ME Shortfall.** Based on the foregoing documents and as a result of the calculations made, the total shortfall that NPC proposes to recover from the UC-ME is equivalent to **Php 849,455,932.62 or an equivalent of P0.0381/kWh for three (3) months recovery period** as summarized in Table 1 below.

Table 1. Summary of Shortfall

PARTICULARS	TOTAL [A+B+C]	NPC [A]	NPP [B]	QTP [C]
REVENUE REQUIREMENT	16,094,193,898.73	7,082,728,948.17	8,846,390,328.59	165,074,621.97
LESS: REVENUE FROM SALES	6,856,726,941.59	2,049,131,308.66	4,729,329,382.66	78,266,250.27
TOTAL REVENUE REQUIREMENT	9,237,466,957.14	5,033,597,639.51	4,117,060,945.93	86,808,371.70
LESS: ACTUAL 2017 UCME REVENUE (BASIC)	8,388,011,024.52	4,184,141,706.89	4,117,060,945.93	86,808,371.70
UCME SHORTFALL , Php	849,455,932.62	849,455,932.62	0.00	0.00
RATE IMPACT, P/kWh	0.0381	0.0381		
<i>Projected Energy Sales, GWH (3 months)</i>	<i>22,295.00</i>			

10. In the reconciliation, the resulting shortfall in the revenue from UC-ME was calculated based on the following formula:

$$\text{UC-ME True-Up Shortfall} = \text{Total UC-ME Subsidy Requirement} - \text{Approved UC-ME}$$

Where: **Total UC-ME Subsidy Requirement =**
 (NPC Revenue Requirement – Revenue from Sales) +
 Subsidy Payment to NPPs and QTPs

11. The Revenue is inclusive of the revenue from sales and the UC-ME subsidy for CY 2017. Whereas the disbursement includes all expenses related to NPC-SPUG's operation and subsidy fees paid to the New Power Providers (NPPs) and Qualified Third Parties (QTPs).

12. In the calculation of the NPC Revenue Requirement, the following accounts and actual costs were considered:

- a. Actual Fuel Costs;
- b. Other Operating Expenses which includes Personal Services and Maintenance and Other Operating Expenses;
- c. Depreciation;
- d. Disbursement on FOREX Fluctuation;
- e. Rate Base as of December 2017;
- f. Revenue from Sales

13. The amount of UC-ME Subsidy for NPPs and QTPs were based on the actual disbursements and payment made consistent with the UC-Settlement Agreement (UCSA) between NPC and respective power providers considering their respective ERC-approved Power Supply Agreement (PSA).

14. Three (3) months projected Philippine energy sales forecast in GWh under DOE's Power Development Plan (PDP) for CY 2020 was used to determine the proposed UC-ME True-up rate in P/kWh.

15. As can be gleaned from Table 1, the CY 2017 actual revenue received from the UC-ME was not sufficient to cover the total UC-ME requirement for NPC. As such, Petitioner NPC seeks to recover the deficiency pursuant to the rules and guidelines for the UC-ME.

16. The following documents are submitted in support of the proposed recovery of shortfall in the UC-ME:

Annex "A"	Corporate Secretary's Certificate
Annex "B"	Summary of Shortfall and UC-ME True-up Adjustment Calculation
Annex "C"	CY 2017 Actual Results of Operations
Annex "D"	CY 2017 Certified Income Statement
Annex "D-1"	CY 2017 Certified Balance Sheet
Annex "E"	Discussion on Revenue Requirement and Rate Base Components
Annex "F"	Schedule of CY 2017 Depreciation Expense
Annex "G"	Schedule of CY 2017 Fuel Consumption
Annex "H"	Schedule of CY 2017 Other Operating Expenses
Annex "I"	Schedule of CY 2017 Rate Base
Annex "J"	Schedule of CY 2017 Construction Work in Progress

Annex “K”	Summary of CY 2017 UC-ME paid to NPPs and QTPs
Annex “L”	Summary of Actual UC-ME Received from PSALM for CY 2017
Annex “M”	Projected Philippine Energy Sales
Annex “N”	Proof of Receipt by the Local Government Offices

RATE IMPLICATIONS OF THE PROPOSED RECOVERY OF UCME SHORTFALL

17. Under the foregoing premises, NPC proposes the recovery of shortfall in the revenues from UC-ME in the amount of **Php849,455,932.62 equivalent to a proposed rate adjustment of Po.0381/kWh for three (3) months recovery** from the nationwide electricity end-consumers.

18. The proposed three (3) months recovery period is consistent with the provisionally approved rate under ERC Case No. 2014-135 RC where CY 2010 True-up recovery of Po.0381/kWh was extended until revoked or made permanent by the Honorable Commission as per ERC Order dated 17 August 2015.

19. The implementation of the proposed recovery period is presumed to be from August 2020 until October 2020 with the assumption that the pending True-up with Provisional Authority will be fully recovered by August 2020.

ALLEGATIONS IN SUPPORT OF THE PRAYER FOR PROVISIONAL AUTHORITY

Petitioner NPC repleads the foregoing allegations and further states:

20. The recovery by NPC of only portion of its costs of generation through the Subsidized Approved Generation Rate (SAGR), is not reflective of the TCGR or the Revenue Requirement in the island grid. It is only 67% of the total fuel cost for CY 2017. Details of the difference between Petitioner NPC's actual revenue from sales against the actual fuel costs for CY 2017 is shown below in Table 2.

Table 2. Actual Fuel Costs vis-à-vis Revenue from Sales

PARTICULARS	AMOUNT	PERCENTAGE
Actual Fuel Cost	3,057,822,488	100%
Average, P/kWh	7.6702	
Actual Revenue from Sales	2,049,131,309	67%
Average, P/kWh	5.1400	
Difference	1,008,691,179	33%
P/kWh	2.5302	
Actual Energy Sales, kWh	398,662,749	

21. The amount proposed for recovery is already an incurred cost of NPC and within the reasonable cost of servicing the consumers in the missionary areas considering the nature of operation and level of demand in the off-grid areas.

22. Petitioner NPC on 11 January 2019 has filed before the Honorable Commission the CY 2016 UCME True-up in the amount of (Php1,483,845,466.67) with a proposed rate of (Php0.0162/kwh) where NPC prayed for the granting of Provisional Authority, thereby allowing NPC to offset the excess of the Basic UCME for CY 2016 under existing Provisional Approval against the unrecovered amount of the CY 2019 UCME Petition under ERC Case No. 2018-076 or against the unrecovered amount under the previous CY 2012, 2013, 2014 and 2015 UCME True-up petitions.

23. ERC already approved the UC-ME True-up Petitions for CY 2003 to 2009, CY 2010 and CY 2011 under ERC Case Nos. 2011-074RC, 2012-046RC and 2012-085RC respectively. The shortfall for CY 2012 True-up Petition was recovered under the provisional authority granted by the Commission on ERC Case No. 2014-135RC, and is also being applied to CY 2013, CY 2014 and CY 2015 pending ERC resolution/decision of the said case.

24. Petitioner NPC will recover from the UC-ME the amount of Php849,455,932.62 assuming that the proposed UC-ME adjustment rate and spreads will be immediately approved provisionally by ERC as filed.

25. An additional funding through the approval of this Petition will ensure an uninterrupted electricity supply as this would fully augment the funding requirements given the increasing demand for energy in line with the government's thrust of economic development in the off-grid areas.

23. The issuance of a provisional authority is authorized under Section 3 Rule 14 of the Rules of Practice and Procedure. Likewise, the authority of the Honorable Commission to issue a provisional authority is confirmed by the Supreme Court in the case of ***Freedom from Debt Coalition, et. al. vs. ERC, et. al.***,¹ when it held that "the power to approve provisional rate increases is included among the powers transferred to the ERC by virtue of Section 44 since the grant of that authority is not inconsistent with the EPIRA; rather, it is in full harmony with the thrust of the law which is to strengthen the ERC as the new regulatory body."

24. Petitioner NPC is thus imploring the kind consideration of this Honorable Commission and respectfully prays for the issuance of a provisional authority under the foregoing premises.

COMPLIANCE

25. In support of this petition and in compliance with Rule 6 of the ERC Rules of Practice and Procedures under ERC Resolution

¹ G.R. No. 161113, 15 June 2004.

No. 38, Series of 2006 as well as Section 4(e) Rule 3 of the EPIRA Implementing Rules and Regulations, Petitioner NPC attaches and submits the following:

- a. Proof of service of this Petition to the Legislative Bodies of the Local Government Units where NPC principally operate, hereto attached as **ANNEX "O"**
- b. Proof of Publication of the Petition once in a newspaper of general circulation hereto attached as **ANNEX "P"**.
- c. Affidavit of Publication hereto attached as **ANNEX "Q"**.

PRAYER

WHEREFORE, premises considered, Petitioner **National Power Corporation** respectfully prays that:

- a. Pending the hearing on the merits, an Order be issued granting **PROVISIONAL APPROVAL** to the proposed UC-ME True-up for CY 2017 amounting to **PhP849,455,932.62** or equivalent rate of **PhPo.0381/kWh**.
- b. After the hearing on the merits, the instant petition be **GRANTED** by the Honorable Commission.

Other reliefs, just and equitable, are likewise prayed for.

Finding the said *Petition* to be sufficient in form and substance with the required fees having been paid, the same is hereby set for determination of compliance with the jurisdictional requirements, expository presentation, Pre-trial Conference, and presentation of evidence on the following dates and venues:

Date and Time	Venue	Particulars
11 March 2020 (Wednesday) at ten o'clock in the morning (10:00 A.M.)	ERC Hearing Room, 15th Floor, Pacific Center Building, San Miguel Avenue, Pasig City	Jurisdictional and Expository Presentation
19 March 2020 (Thursday) at ten o'clock in the morning (10:00 A.M.)	Energy Regulatory Commission- Visayas Area Operations Division (VAOD), St. Mary's Drive, Banilad, Cebu City	Expository Presentation

Date and Time	Venue	Particulars
26 March 2020 (Thursday) at ten o'clock in the morning (10:00 A.M.)	Energy Regulatory Commission- Mindanao Area Operations Division (MAOD), Mezzanine Floor, Mintrade Building, Monteverde Avenue cor. Sales Street, Davao City	Expository Presentation
01 April 2020 (Wednesday) at ten o'clock in the morning (10:00 A.M.)	ERC Hearing Room, 15th Floor, Pacific Center Building, San Miguel Avenue, Pasig City	Pre-Trial Conference and Presentation of Evidence

Accordingly, NPC is hereby directed to:

- 1) Cause the publication of the attached *Notice of Public Hearing* in two (2) newspapers of nationwide circulation in the Philippines at its own expense, twice (2x) within two (2) successive weeks, the dates of publication not being less than seven (7) days apart and the date of the last publication to be made not later than ten (10) days before the date of the scheduled initial hearing;
- 2) Furnish with copies of this *Order* and the attached *Notice of Public Hearing* the Offices of the Provincial Governors, the City and Municipal Mayors, and the Local Government Unit (LGU) legislative bodies within the affected areas for the appropriate posting thereof on their respective bulletin boards;
- 3) Inform of the filing of the *Petition*, its reasons therefor, and of the scheduled hearings thereon, the consumers within the affected areas, by any other means available and appropriate;
- 4) Furnish with copies of this *Order* and the attached *Notice of Public Hearing* the Office of the Solicitor General (OSG), the Commission on Audit (COA), and the Committees on Energy of both Houses of Congress. They are hereby requested, if they so desire to send their duly authorized representatives at the scheduled hearings; and
- 5) Furnish with copies of the *Petition* and its attachments all those making requests therefor, subject to reimbursement of reasonable photocopying costs.

On the date of the initial hearing, Petitioner must submit to the Commission its written compliance with the aforementioned jurisdictional requirements attaching therewith, methodically arranged and duly marked the following:

- 1) The evidence of publication of the attached *Notice of Public Hearing* consisting of affidavits of the Editors or Business Managers of the newspapers where the said *Notice of Public Hearing* were published, and the complete issues of the said newspapers;
- 2) The evidence of actual posting of this *Order* and the attached *Notice of Public Hearing* consisting of certifications issued to that effect, signed by the aforementioned Governors, Mayors, and LGU legislative bodies or their duly authorized representatives, bearing the seals of their offices;
- 3) The evidence of other means employed by Petitioner to inform of the filing of the *Petition*, its reasons therefore, and of the scheduled hearings thereon, the consumers within the affected areas;
- 4) The evidence of receipt of copies of this *Order* and the attached *Notice of Public Hearing* by the OSG, the COA, and the Committees on Energy of both Houses of Congress;
- 5) The evidence of receipt of copies of the *Petition* and its attachments by all those making requests therefor, if any; and
- 6) Such other proofs of compliance with the requirements of the Commission.

Petitioner and all interested parties are also required to submit, at least five (5) days before the date of initial hearing and Pre-Trial Conference, their respective Pre-Trial Briefs containing, among others:

- 1) A summary of admitted facts and proposed stipulation of facts;
- 2) The issues to be tried or resolved;
- 3) The documents or exhibits to be presented, stating the purposes and proposed markings therefore; and

- 4) The number and names of the witnesses, with their written testimonies in a Judicial Affidavit form attached to the Pre-trial Brief.

Failure of Petitioner to comply with the above requirements within the prescribed period shall be a ground for cancellation of the scheduled hearing, and the resetting of which shall be six (6) months from the said date of cancellation.

NPC must also be prepared to make an expository presentation of the instant *Petition*, aided by whatever communication medium that it may deem appropriate for the purpose, in order to put in plain words and explain, for the benefit of the consumers and other concerned parties, the nature of the *Petition* with relevant information and pertinent details substantiating the reason and justifications being cited in support thereof.

SO ORDERED.

Pasig City, 11 November 2019.

FOR AND BY AUTHORITY
OF THE COMMISSION:

JOSEFINA PATRICIA A. MAGPALE-ASIRIT
Commissioner 

LS:  LO

ERC CASE NO. 2019-084 RC
ORDER/11 November 2019
