**NOTICE OF VIRTUAL HEARING**

**TO ALL INTERESTED PARTIES:**

Notice is hereby given that on 23 August 2021, National Power Corporation (NPC) filed an *Application* dated 01 June 2021, seeking the Commission's approval of the recovery of the incremental costs on foreign currency exchange rate fluctuations under the Incremental Currency Exchange Rate Adjustment (ICERA), with prayer for provisional authority.

The pertinent provisions of the said *Application* are hereunder quoted as follows:

1. Applicant NPC is a government-owned and controlled corporation, created and existing under and by virtue of Republic Act No. 6395, as amended, with principal office address at NPC-Office Building Complex, corner Quezon Avenue and BIR Road, East Triangle, Diliman, Quezon City.
2. Pursuant to Section 70 of R.A. 9136, otherwise known as the Electric Power Industry Reform Act (EPIRA) of 2001, NPC through its Small Power Utilities Group (NPC-SPUG), with

the same principal office address stated above, is responsible for providing power generation and its associated power delivery systems in areas that are not connected to the transmission system.

3. In the performance of its missionary electrification function, NPC-SPUG incurs additional operating costs/savings as a result of the fluctuation of foreign exchange which affects the costs of servicing foreign currency debts (excluding interest) and/or foreign exchange-related expenses such as insurance and imported power plant/transmission parts.
4. In the Order dated 24 February 2003, this Honorable Commission issued and adopted the Implementing Rules for the Incremental Currency Exchange Rate Adjustment (ICERA) providing for, among others, the mechanisms for the recovery/(refund) of the deferred incremental costs/(savings) on foreign currency exchange rate fluctuations and carrying charges.
5. This Application is being filed consistent with Section 4(e) Rule 3 of the Implementing Rules and Regulations (IRR), as amended, of EPIRA dated June 8, 2001.
6. The Application covers the billing period from July 2019 to December 2019. Further, Applicant has fully complied with the ICERA's monthly reportorial requirements<sup>1</sup> in support of the calculated allowable costs covering the billing period.
7. Applicant proposes to recover the Deferred Accounting Adjustments ("DAAs") corresponding to additional costs from foreign exchange fluctuations in the settlement of Debt Service (Principal Repayment Portion) and Operating Expenses ("OPEX"), as well as the corresponding carrying charges for the billing period July 2019 to December 2019 for Luzon, Visayas, and Mindanao.
8. Considering the foregoing, and pursuant to all the relevant Decisions and Orders issued by the Honorable Commission, Applicant calculated the total deferred costs for recovery under this instant Application comprising of the deferred debt service, OPEX and the corresponding carrying charges for Luzon, Visayas and Mindanao covering the billing period from July 2019 to December 2019, as shown below:

Table 1. Total Deferred FOREX Costs, in PhP

	Principal	Carrying Charges	Total DAA
<b>TOTAL</b>	<b>8,055,703.40</b>	<b>134,338.45</b>	<b>8,190,041.85</b>

9. This application seeks the Honorable Commission's approval for the recovery of the above-stated total deferred FOREX costs for the billing period July 2019 to December 2019

10. Applicant NPC proposes a recovery period of twelve (12) months as approved by its Board of Directors. If this application is approved as filed, the proposed rate above shall be billed to island grid customers for twelve months.

12. The proposed ICERA DAA is fair and reasonable as it is computed in line with the ICERA Guidelines.
13. In support of the proposed 21<sup>st</sup> ICERA DAA, Applicant has used the following documents in the process of the calculation of the proposed 21<sup>st</sup> ICERA:
  - a. Summary of Deferred Cost and Proposed Charges
  - b. Calculation of Deferred Debt Service/OPEX and corresponding carrying charges

15. The proposed ICERA was approved for filing by the Board of Directors of Applicant on 18 November 2020. A certified true copy of National Power (NP) Board Resolution No. 2020-51, which was identified by the witness in her Judicial Affidavit and pre-marked, is attached thereto Exhibit "F to F-3" and made an integral part hereof.

**ALLEGATIONS IN SUPPORT OF THE PRAYER FOR PROVISIONAL AUTHORITY**

16. Consistent with the principle of structural and functional unbundling of the electric power industry participants, the proposed ICERA is based on foreign exchange-related adjustments attributable only to NPC-SPUG operations, i.e. excluding those associated with NPC's operation in the main grids.
17. The existing approved based foreign exchange rates used in the calculation are based on the 1993 levels of P27.40 to US1.00 and P0.2329 to Japanese ¥1.
18. Since these expenses were incurred in the 2<sup>nd</sup> semester of 2019, immediate recovery of the adjustment through a provisional authority would help alleviate the operational funding of applicant, without prejudice to the authority of the Honorable Commission to approve the recovery of this adjustment as part of the applicant's True Cost Generation Rate (TCGR).
19. Moreover, pursuant to Rule 15, Section 3 of the Commission's Rules of Practice and Procedure, the Honorable Commission has the authority to grant a provisional authority pending final approval of the instant petition, it states, as follows:

*"Section 3. Action and Motion. – Motions for provisional authority or interim relief may be acted upon with or without hearing. The*

*Commission shall act on the motion on the basis of the allegations of the application or petition and supporting documents and other evidences that applicant or petitioner has submitted and the comments or oppositions filed by any.” (Emphasis supplied)*

20. With due respect, the proposed 21<sup>st</sup> ICERA DAA adjustment, once approved, should be implemented or applied on top of the Subsidized Approved Generation Rate (“SAGR”) in both NPC-SPUG and delegated NPC-SPUG areas, or upon entry of NPPs thereof to level the rates in the said areas and consistent with Resolution 21, series of 2011 and with the clarification letter of ERC dated 05 March 2012 issued to NPC during the implementation of the 4<sup>th</sup> to 6<sup>th</sup> GRAM and ICERA DAA. A copy of the said ERC letter dated 05 March 2012, which was identified by the witness in her Judicial Affidavit and pre-marked, is thereto attached as Exhibits “G to G-3”, forming an integral part of this Application.

**PRAYER**

WHEREFORE, Premises considered, it is most respectfully prayed that this Honorable Commission issue an Order:

1. Approving the deferred cost of PhP8,190,041.85 and the corresponding proposed ICERA DAA of Po.0144/kWh for NPC-SPUG areas;
2. Imposing/charging the ICERA directly to consumers in NPC-SPUG areas as per the ICERA rules, subject to the discretion of the Honorable Commission in line with ERC Resolution No. 21, series of 2011;
3. Allowing the continued collection of the ICERA even with the entry of private sector players in a specific NPC-SPUG area;
4. Approving the implementation of the proposed rates on top of the existing SAGR of NPC-SPUG and SAGR of Delegated NPC-SPUG Areas where NPPs operate for the purpose of determining the level of subsidy; and
5. Granting NPC a Provisional Authority for the implementation of the proposed rates and DAAs for the immediate recovery of deferred FOREX adjustments within the above proposed twelve (12) months recovery period.

Other reliefs, just and equitable, are likewise prayed for.

In the *Order* and *Notice of Virtual Hearing*, both dated 03 September 2021, the Commission has set the instant *Application* for hearing on the following dates: (a) 05 November 2021 for determination of compliance with jurisdictional requirements and Expository Presentation for Luzon, Visayas and Mindanao Stakeholders; (b) 12 November 2021 for Pre-trial Conference and presentation of evidence; and (c) 19 November 2021 and 26 November 2021 for additional hearing dates for the presentation of evidence.

However, on 14 September 2021, NPC filed an *Urgent Motion to Reset* (Motion) dated 13 September 2021. In the said *Motion*, NPC alleged that it would not be feasible for it to comply with the Commission's jurisdictional requirements as directed in the *Order* dated 03 September 2021, due to the Corona Virus Disease 2019 (COVID-19) pandemic. Thus, NPC prayed that the hearings be reset at least three (3) months after the original hearing date or preferably starting on 04 February 2022 or at any later date most convenient to the Commission to give it sufficient time to comply with the Commission's jurisdictional requirements.

Finding the said *Motion* in order, the Commission granted the same. In view thereof, the virtual hearings scheduled on 05 November 2021, 12 November 2021, 19 November 2021 and 26 November 2021 are cancelled.

**ACCORDINGLY**, the Commission sets anew the instant *Application* for determination of compliance with the jurisdictional requirements, expository presentation, Pre-trial Conference and presentation of evidence on the following dates and online platform for the conduct thereof, pursuant to Resolution No. 09, Series of 2020<sup>2</sup> dated 24 September 2020 and Resolution No. 01, Series of 2021, dated 17 December 2020 (ERC Revised Rules of Practice and Procedure)<sup>3</sup>:
